Christmas
Program 7pm
(Please be at
church at
6:30pm.)
- **Dec. 23-Jan. 2**
No School
Christmas
Break

Hello Parents,

It may not quite look like Christmas outside yet, but Christmas is just around the corner! Here's the latest from our class:

Spelling: There will be no spelling test next week, due to the short week. I will send home the words for the first week of January with next week's newsletter.

3rd-4th Science: In 3rd-4th grade science, we just completed our unit on the study of matter. Last week, we made Pringle's pinhole cameras and were able to turn the world upside-down! Thanks to all who sent in Pringle's cans to help with this project. This week, we are starting to dive into our new unit on animals. We will be exploring many different types of animals, where they live, and how they survive.

Christmas Exchange: Christmas is creeping up on us, and with it our class Christmas party is just one week away. Students should bring their \$5 wrapped present by Tuesday, Dec. 20th. We will be exchanging them on Thursday, Dec. 22nd during our Christmas party.

Christmas Program: Our school Christmas program is just one week from today! The students have been hard at word practicing their lines and music. Any extra practice they can put in at home is also greatly appreciated. We will meet in the church meeting room next Thursday at 6:30pm.

In Christ,
Miss Bernau
